Katy Rivers' life has been perfect so far. Perfectly boring, that is. She's lived by the rules and made all the safe choices. She has a great accounting job, her own home, and...zero fun. She's looking for a taste of excitement, but she gets more than she bargained for when the sexy, but off-limits bad boy she dreamt about in high school is suddenly back in her life and wanting more than her number.

Scott Beckstead has grown up during the ten years since he dropped out of school. He's no longer the bad boy the town remembers. He owns a profitable construction company and keeps his wild adventures just this side of legal. A chance meeting with Katy reminds him of the one thing he always wanted, but never thought he could have.

The holidays are a time to come together, but Katy's family and friends are determined to keep her and Scott apart. If she wants Scott to stay and wants the passionate nights by the Christmas tree to become a tradition, she's going to have to leave "safe" behind.
