Keep the Family Baggage Out of the Family Business: Avoiding the Seven Deadly Sins That Destroy Family Businesses Quentin J Fleming

Family businesses epitomize the best of the American Dream: you work hard, you're your own boss, you leave a lasting legacy to your children -- or do you? Statistics show that only 30% of family businesses survive to the second generation, and a paltry 10% survive to the third generation. Family businesses are in trouble, and their survival is crucial to us all. Their success ensures our country's success -- and their failure can drastically affect our economic health.

In *Keep the Family Baggage Out of the Family Business*, family business expert Quentin Fleming has identified the Seven Deadly Sins that are invariably responsible for a family business's demise. *Keep the Family Baggage Out of the Family Business* presents practical and accessible advice geared toward the average family business owner or employee and is an invaluable tool for helping family businesses not only survive but thrive.
