Undiscovered Gyrl: The novel that inspired the movie ASK ME ANYTHING (Vintage Contemporaries) Allison Burnett

Only on the internet can you have so many friends and be so lonely.

Beautiful, wild, funny, and lost, Katie Kampenfelt is taking a year off before college to find her passion. Ambitious in her own way, Katie intends to do more than just smoke weed with her boyfriend, Rory, and work at the bookstore. She plans to seduce Dan, a thirty-two-year-old film professor.

Katie chronicles her adventures in an anonymous blog, telling strangers her innermost desires, shames, and thrills. But when Dan stops taking her calls, when her alcoholic father suffers a terrible fall, and when she finds herself drawn into a dangerous new relationship, Katie's fearless narrative begins to crack, and dark pieces of her past emerge.

Sexually frank, often heartbreaking, and bursting with devilish humor, **Undiscovered Gyrl** is an extraordinarily accomplished novel of identity, voyeurism, and deceit.

From the Trade Paperback edition.
