War in the Modern World since 1815 (Warfare and History)

War in the Modern World since 1815 (Warfare and History)

Conflict is central to human history. It is often the cause, course and consequence of social, cultural and political change. Military history therefore has to be more than a technical analysis of armed conflict. *War in the Modern World since 1815* addresses war as a cultural phenomenon, discusses its meaning in different societies and explores the various contexts of military action.
