Based on the latest direct-to-video Barbie movie, this new panorama stickerbook encourages girls to read the exciting story and then recreate the tale with reusable stickers and a two-sided play board.

When Ken is kidnapped by a fairy who wants to marry him, Barbie and Raquelle put their differences aside and join forces to rescue him. A fairy, Princess Graciella, has been placed under a love spell by another fairy, Crystal, who is in love with Graciella's boyfriend Zane, and has devised this plan to separate them. Her plan may actually work, except Barbie discovers her friends Carrie and Taylor are also fairies and enlists their help to enter this parallel fairy world, Gloss Angeles.

This 16-page storybook based on the movie Barbie A Fairy Secret, is designed with a fold-out back cover that extends to become a panoramic play board. Girls can use the included reusable stickers to create their own version of the story.
