Hollywood Cats showcases an incredible selection of photographs, taken during the golden age of Hollywood, of stars with their cats, celebrating and documenting this special relationship. Both Carole Lombard and Greer Garson manage to look even more sultry draped alongside their feline friends; photographs of madcap duo Laurel and Hardy playing with a kitten are both comical and endearing. Perhaps the most famous and arguably the most important of all Hollywood cats is the MGM lion, Leo, who appeared (and still appears) on every MGM movie.
