In an ancient Arab nation, one woman dares to be different. Buran cannot -- Buran will not sit quietly at home and wait to be married to the man her father chooses. Determined to use her skills and earn a fortune, she instead disguises herself as a boy and travels by camel caravan to a distant city. There, she maintains her masculine disguise and establishes a successful business. The city's crown prince comes often to her shop, and soon Buran finds herself falling in love. But if she reveals to Mahmud that she is a woman, she will lose everything she has worked for.
