What Life Could Mean to You: The Psychology of Personal Development

Alfred Adler, Colin Brett

What Life Could Mean to You: The Psychology of Personal Development Alfred Adler, Colin Brett
What Life Could Mean to You is one of Alfred Adler's most popular books, combining a complete guide to his work on personal development with a practical approach to self-understanding. Focused on his 'three tasks of life' – marriage, work, and social relationships – it explores the key issues that influence the progress of our lives and our view of what life means. It combines clear, understandable explanations with pragmatic advice to enable a fuller understanding of what life can offer. With this, we can overcome the limitations of our past, and develop the confidence to transform both ourselves and our world.
