Whenever there's a murder or a mystery to solve that involves the preternatural—she's the witch they call. When she's called in to help the local cops work on a mysterious murder case, she finds herself needing all the help she can get. A bloodthirsty werewolf is loose in the city and on a killing spree.

As if her plate weren't full enough, a strange she-wolf seeks Cassandra's aid, asking her to help find her missing brother. Cassandra soon learns that the strange she-wolf serves two masters, and one of those masters has taken quite an interest in her.

In a world where vampires have charmed their way into modern society, where werewolves walk the streets with their beasts disguised by human skin, Cassandra Lyall has a secret of her own to protect.
