What is Islam? Is it violent-as the actions of some Muslims would lead us to believe? Or is it peaceful-as Muslim spokesmen portray it? With this unique resource, you can examine the Qur'an, the Hadith (authoritative traditions), the lives of Muhammad and of his disciples, and discover the answer for yourself. Explore the endless variety of Muslims. Get a handle on this wide array through understanding three key dimensions: • doctrine (what they officially believe). • syncretism (their inclusion of non-Islamic beliefs). • piety (how closely they practice their faith). Learn how to use this information about Islam and Muslims to: • Engage Muslims with the truth. • Respectfully show them how Scriptural truths have been misunderstood throughout Islamic history. • Remove roadblocks that keep them from knowing God through Isa al Masih (Jesus the Messiah). Discover why more Muslims have become believers in Jesus in the past thirty year than all of history.
