Every church leader knows the qualifications for elders and deacons that are spelled out in the Bible, but actually finding other leaders who fulfill the biblical qualifications can be difficult.

Thabiti Anyabwile writes from his expertise as a pastor and elder, showing how to identify and reproduce legitimate leaders and willing servants throughout the ranks of the local church. Balancing thoughtful analysis of pertinent passages with thorough application for practical use in a contemporary context, Anyabwile answers the questions, “Who should we look for to lead and serve in the church?” and “What should they do to fulfill their calling?”
