Killers and victims on the fringes of society are the focus of the 'Fringe Killer' series. "A Blade Away" kicks it off with a murderous transgendered twist. "I am the last true artist." Jamie Davenport is a struggling young officer on the Louisville Police Force. In her first homicide case, Jamie must track down a twisted killer who preys upon transgendered men to bring about The Change and transform them into their "true selves". "I am da Vinci with flesh." However, even with the help of her friend and mentor, Skip Abrahm, she finds herself fighting a war on three fronts: a victimized population reluctant to cooperate, a police force unwilling to take the crimes seriously, and a killer that is always one step ahead. "I am a god with your gender." Warning: Contains adult situations and material.
