As the coach of one of high school basketball's greatest programs, Coach Dru Joyce has been mentor and motivator to some of the nation's best young players, including basketball legend LeBron James. Despite having virtually no experience in the sport, in less than ten years Dru went from a no-name fan to one of the highest profile basketball coaches in the country.

With insight and grit earned from his years on and off the court, Coach Dru shares for the first time the secrets to his teams' success and his own coaching achievements. Far more than a sports book, *Beyond Championships* is a blueprint for anyone looking to make better choices, reach their full potential, and become winners in all areas of life.

As Dru outlines the nine principles that he promotes to his players and tries to live in his own life as well, you'll discover that the solid foundation on which he built so many successful basketball programs can be applied to almost any situation. As you assess your chosen path in life and look for ways to embark on a more inspiring and rewarding journey, Coach Dru offers an accessible and relatable roadmap for personal evolution.
