The Mysteries of Paris (Penguin Classics) Eugene Sue

The first new translation in over a century of the brilliant epic novel that inspired *Les Misérables*

Sensational, engrossing, and heartbreaking, *The Mysteries of Paris* is doubtless one of the most entertaining and influential works to emerge from the nineteenth century. It was one of France's first serial novels, and for sixteen months, Parisians rushed in droves to the newsstands each week for the latest installment. Eugène Sue's intricate melodrama unfolds around a Paris where, despite the gulf between them, the fortunes of the rich and poor are inextricably tangled. The suspenseful story of Rodolphe, a magnetic hero of noble heart and shadowy origins, was spun out over 150 issues—garnering wild popularity, influencing political change, and inspiring a raft of successors, including *Les Misérables* and *The Count of Monte Cristo*. At long last, this lively translation makes the riveting drama of Sue's classic available to a new century of readers.

For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From reader reviews:

Ida Resler:

Book is to be different per grade. Book for children until adult are different content. As you may know that book is very important for all of us. The book The Mysteries of Paris (Penguin Classics) seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The e-book The Mysteries of Paris (Penguin Classics) is not only giving you a lot more new information but also for being your friend when you feel bored. You can spend your own spend time to read your guide. Try to make relationship while using book The Mysteries of Paris (Penguin Classics). You never sense lose out for everything if you read some books.

Andrea Behnke:

Information is provisions for folks to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider while those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take The Mysteries of Paris (Penguin Classics) as your daily resource information.

Russell Diamond:

Reading a book tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story as well as their experience. Not only the storyline that share in the textbooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some research before they write to the book. One of them is this The Mysteries of Paris (Penguin Classics).

Kyle Reese:

Your reading 6th sense will not betray you, why because this The Mysteries of Paris (Penguin Classics) reserve written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still skepticism The Mysteries of Paris (Penguin Classics) as good book but not only by the cover but also by the content. This is one book that can break don't evaluate book by its handle, so do you still needing one more sixth sense to pick this!?! Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.
