An Introduction to Counselling and Psychotherapy: From Theory to Practice

Andrew Reeves

An Introduction to Counselling and Psychotherapy: From Theory to Practice Andrew Reeves
An Introduction to Counselling and Psychotherapy takes professional trainees through the entire therapeutic process, introducing the theory and applying it to real-life practice. It is, in short, an authoritative introduction to everything a trainee needs to know to become a professional therapist. Drawing on years of experience as a counseling practitioner and researcher, Andrew Reeves provides a uniquely practical consideration of counseling and psychotherapy theory, linked to the development of appropriate skills and located within the context of therapeutic practice today.
