Maggie James was sixteen years old when the Earth self-destructed. She's spent the years since fighting to protect herself and the band of subway-dwelling misfits who took her in. Every day is a struggle to survive, and she's seen the best and the worst of humanity. Hope seems lost until a tall, gorgeous hunk of a man from another world appears out of nowhere.

Captain Liam Estros a soldier for the Drastan Nation who has been sent to investigate a mayday call over five years old. Believing the detour a waste of time, he doesn't take the hunt for survivors seriously until he's captured and taken hostage by a small human woman.

In a world torn asunder by ignorance and violence, some will always revel in the chaos, preying on those just trying to survive. Heroes will rise from the ashes, and hope will come from the stars. Two hearts and two species. They must both overcome terrible odds to find love in desolation.
