Naruto was a young shinobi with an incorrigible knack for mischief. Then he channeled that energy into learning amazing ninja techniques and saving the world! Now Naruto has achieved his dream to become the greatest ninja in the village and his face sits atop the Hokage monument. But new troubles are bubbling up in the shinobi world...

With the world now safe and the ninja villages working together, Naruto's work as Hokage seems pretty mundane. Giving his son, Boruto, enough attention is the toughest task he has. But then Sasuke uncovers a conspiracy that may involve surviving members of the Uchiha clan. And at the same time, Sarada is begins to have doubts about the truth of her origins.
