### **What You'll Learn**

Builds upon skills taught in Pimsleur's German Levels 1 and 2.

In the first 10 lessons, you will expand your vocabulary and increase your fluency to an even higher level. You'll gain experience participating in many informal and some formal discussions on practical, social, and semiprofessional topics. You'll skillfully form longer, more complex sentences, and most importantly, you'll find yourself being understood, even by native speakers unused to dealing with foreigners. You'll be able to join in conversations eagerly, confident of being understood.

In the next 10 lessons, your skills will demonstrate ever-increasing mastery of German. Speaking with grace and complete naturalness, you'll enjoy fluid conversations on many new subjects. Delving deeper into cultural norms and situations, you'll find yourself responding effortlessly, and able to choose from a wide accumulation of vocabulary and structures.

In the final 10 lessons, you're nearing fluency with agile responses, and a natural sounding, near-native accent. You're able to utilize the language in subtle ways, and speak using past, present, and future tenses. Self-confidence soars as you no longer experience the language and culture as a foreigner, but as someone with a deepening insight into the German-speaking world.

Reading Lessons are included at the end of Lesson 30. These lessons, which total about one hour, are designed to give you practice reading German, to provide vocabulary and improve pronunciation. Before you know it, you'll be reading German with the ease and flexibility of a native speaker.

### **The Pimsleur Method**

We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his "secrets":

#### *The Principle of Anticipation*

In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind.

#### *Core Vocabulary*

Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson.

#### *Graduated Interval Recall*

Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory.

#### *Organic Learning*

You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture.

#### *Learning in Context*

Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success.

#### *Active Participation*

The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English.

### **The German Language**

German is the official language of Germany and Austria and is one of the official languages of Switzerland. It is also an official language in Belgium, Lichtenstein, and Luxembourg. Nearly 100 million people speak German as their first language: about 77 million in Germany, 8 million in Austria, and 4.5 million in Switzerland.

### **Tech Talk**

- CDs are formatted for playing in all CD players, including car players, and users can copy files for use in

iTunes or Windows Media Player.
