Targeting Guns: Firearms and Their Control (Social Institutions and Social Change)

Gary Kleck

Targeting Guns: Firearms and Their Control (Social Institutions and Social Change) Gary Kleck

This new paperback comprehensively reviews the research evidence on the links between guns, violence, and gun control, and reports results of the author's own research as well. In *Targeting Guns*, Kleck follows the line of argument and careful statistical inference of his earlier prizewinning volume, *Point Blank*, while updating the literature reviews and statistical information, and adding two chapters.
