The History of the Peloponnesian War (Barnes & Noble Classics) Thucydides

The History of the Peloponnesian War, by **Thucydides**, is part of the *Barnes & Noble Classics* series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of *Barnes & Noble Classics*:

- New introductions commissioned from today's top writers and scholars
- Biographies of the authors
- Chronologies of contemporary historical, biographical, and cultural events
- Footnotes and endnotes
- Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work
- Comments by other famous authors
- Study questions to challenge the reader's viewpoints and expectations
- Bibliographies for further reading
- Indices & Glossaries, when appropriate

All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. *Barnes & Noble Classics* pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works.

A monumental work unsurpassed for its brilliant description, accuracy, and penetrating insights, **Thucydides'** *History of the Peloponnesian War* is a spectacular eyewitness report of the war between Greece's two most powerful city-states, Athens and Sparta, as it unfolded during the fifth century B.C. The first recorded political and moral analysis of a nation's war policies, the *History* is a tragic story of virtue, ambition, and failed deterrence. All aspects of the conflict—from the battlefield strategies and the political landscape to the peoples' thoughts and feelings as the long war dragged on—are presented in startlingly vivid detail.

From the treachery of Alcibiades and the disastrous invasion of Sicily to the plague that devastated Athens and Pericles' famous funeral oration, Thucydides has written more than a mere account of war. His *History* is nothing less than a classic Greek drama about the rise and fall of Athens. More than two thousand years have passed since the *History* was written, but its impact on modern politics, military strategy, and foreign relations has been timeless.

Donald Lateiner teaches Greek, Latin, Ancient History and Comparative Folklore in the Humanities-Classics department at Ohio Wesleyan University. His scholarship focuses on Homer and Herodotus, and he has published a book on each. He also researches nonverbal behaviors in ancient literature.
