Travellers in Space and Time Patrick Moore

What if it were possible to go on a journey through the Universe? Imagine we are able to transfer ourselves to a planet inside the Andromeda spiral, a system so remote in space that it looks like nothing more than a dim glow from Earth, what would we and an Andromedan see? What better way to find out than to make a journey through space with Patrick Moore, fastening ourselves to a light beam. Join Patrick on this wonderful photographic journey through the Universe.
