## **I'll See You Again...**

Kenna wants nothing more than for her little sister to be happy on her birthday.

Owen devours mountains to seek out the quiet mornings of the woods.

Eddie is cooped up in his grandparent's house and needs to get out.

When three teens decide to go for a hike in the woods on the same day, disaster strikes. They get lost, and as night falls, none of them know how they'll survive. That is until they meet Bennett, a charming boy with good looks that lives in the middle of the woods...alone. Can he help them find their way home? As the days grow on they begin to realize that not everybody is who they seem. I'll See You Again is a story of survival, love, and betrayal that will leave you on the edge of your seat... until the very end.
