## **Rurally Screwed: A Memoir of Losing Myself for Love** Jessie Knadler

A magazine editor in New York, Jessie Knadler had a habit of always looking over her shoulder for better options. She wasn't quite sure moving to Montana and marrying a cowboy was a better option—but, head over heels in love, she did it anyway.

At a loss in her new rural environment, she hoped that activities like chicken farming and fence building might provide her with a more profound, virtuous sense of self (and make her husband Jake love her even more). It all led her to some strange situations—and surprising realizations. Written with huge personality and searing wit, *Rurally Screwed* is an immensely entertaining and moving memoir about the things we do for love—and the lengths we'll go to find our true identity.
