Tea Leaves

Janet Mason

Tea Leaves Janet Mason

In this forthright personal memoir, author and poet Janet Mason reflects on the factory-worker lives of her mother and grandmother in working class Philadelphia while she copes with her mother's final illness. Her mother's feminist example and unwavering support of a lesbian daughter become increasingly poignant as Janet explores the choices not open to her mother that she made for herself.

Equally pressing is the sheer labor of dealing with medical misdiagnosis and subsequent treatment of her mother, and the toll it takes on her own relationship as she spends increasing hours in conversation with the woman who gave her life.

Tea Leaves is about daughters, mothers and women, their choices, and the never-ending circles of their entwined lives.

From reader reviews:

Danny Nehring:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider whenever those information which is within the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Tea Leaves as the daily resource information.

Margaret Watkins:

Spent a free time for you to be fun activity to try and do! A lot of people spent their down time with their family, or their very own friends. Usually they undertaking activity like watching television, likely to beach, or picnic within the park. They actually doing same every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Might be reading a book might be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the publication untitled Tea Leaves can be fine book to read. May be it may be best activity to you.

Troy Harlow:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family members or their friend. Do you know? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read some sort of book. It is really fun to suit your needs. If you enjoy the book you read you can spent 24 hours a day to reading a book. The book Tea Leaves it is extremely good to read. There are a lot of folks that recommended this book. These folks were enjoying reading this book. When you did not have enough space to develop this book you can buy the actual e-book. You can m0ore easily to read this book from a smart phone. The price is not very costly but this book offers high quality.

Samantha Smith:

This Tea Leaves is great book for you because the content and that is full of information for you who also always deal with world and possess to make decision every minute. This specific book reveal it details accurately using great organize word or we can state no rambling sentences included. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having Tea Leaves in your hand like keeping the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen small right but this guide already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt this?
