## The Kobayashi Maru (Star Trek, No. 47) Julia Ecklar

A freak shuttlecraft accident -- and suddenly Captain Kirk and most of his senior officers find themselves adrift in space, with no hope of rescue, no hope of repairing their craft, or restoring communications -- with nothing, in short but time on their hands.

Time enough for each to tell the story of the *Kobayashi Maru* -- the Starfleet Academy test given to command cadets. Nominally a tactical exercise, the *Kobayashi Maru* is in fact a test of character revealed in the choices each man makes -- and does not make.

Discover now how Starfleet Cadets Kirk, Chekov, Scotty, and Sulu each faced the *Kobayashi Maru*...and became in turn Starfleet officers.
