The Politics of Hope: The Words of Barack Obama

Henry Russell

The Politics of Hope: The Words of Barack Obama Henry Russell

On the road to the White House, Barack Obama succeeded in breaking barriers and bringing together an often-fragmented population through his speeches, interviews, and words. He revealed an outstanding ability to express the thoughts and aspirations of the whole nation in a language that is populist yet intelligent, clear yet literary.

The Politics of Hope celebrates Obama's immense rhetorical power and ability to inspire, convince, and unite—a skill that took him from “the backyards of Des Moines” to the Oval Office. Covering the whole of his career and featuring iconic as well as less well-known speeches, this collection captures Obama's great passion for language and reveals the hopes and dreams of the world's most powerful man.
