Book of Discipline 2004 English Red United Methodist Church

A excellent resource if one is a member of the Church and/or involved in the governance of the United Methodist Church. The Book of Discipline, in my view, is the policy and direction for the United Methodist Church. It includes specific duties, responsibilities, and processes for the United Methodist Church. Some ministers and leaders, irrespective at what level that they serve in the organization, are not always aware of what is in the current Book of Discipline. As a result, lay persons should be aware of the Book of Discipline and its purpose; and if involved in the governance and leadership of the Church, they should become knowledgeable of its contents.
