## Conversations with Tim O'Brien (Literary Conversations Series)

On the strength of a National Book Award for his novel *Going After Cacciato* (1978) and a widely acclaimed short-story cycle, *The Things They Carried* (1990), Tim O'Brien (b. 1946) cemented his reputation as one of the most compelling chroniclers of Vietnam--and, in the process, was cast as a "Vietnam writer." But to confine O'Brien to a single piece of ground or a particular style is to ignore the broad sweep of a career spanning nearly four decades.

In addition to detailed discussions of all of O'Brien's work--a memoir, *If I Die in a Combat Zone* (1973), and seven books of fiction--the sixteen interviews and profiles in *Conversations with Tim O'Brien* explore common themes, with subtle differences. Looming large is the experience of Vietnam and its influence as well as O'Brien's youth in Minnesota and the expectations of a Midwestern upbringing. Interviews allowed the writer to fully examine the shifting boundaries of truth and identity, memory, and imagination in fiction, the role of war in society; gender issues; and the craft of writing. O'Brien approaches each of these topics and a host of others with a directness and an evident passion that will resonate with both readers and prospective writers.

#### Paul Moore:

Is it an individual who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Conversations with Tim O'Brien (Literary Conversations Series) can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

#### Philip Martin:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Conversations with Tim O'Brien (Literary Conversations Series) can make you sense more interested to read.
