One night was all they'd had...or had they? Hayley Templeton prides herself on keeping a level head in life and love. But her recent passionate encounter with Seth Banyon turned her world upside down. Hayley knows she planted a kiss on the sexy security expert, but she can't even remember how much further that lip-lock went. This is one dilemma the psychologist can't analyze her way out of...

Seth has plenty of secrets that he doesn't need Hayley prying into—least of all, what he's *really* doing in tiny Weaver, Wyoming. So he's got to get the irresistible woman out of his system...before he is tempted to make himself at home right there in her arms...
