Lucy Kevin is the "sweet" pen-name of New York Times and USA Today bestselling author Bella Andre (who writes the #1 bestselling series about The Sullivans). Lucy Kevin books are fun, flirty and romantic--without the steamy scenes. **BOOK DESCRIPTION:** Come for a visit to Walker Island where you'll find stunning Pacific Northwest ocean views, men too intriguing to resist...and five close-knit sisters who are each about to find their one true love. Once upon a time, Rachel Walker longed for—and sought out—adventure. But after her boyfriend found out she was pregnant and left her to raise her daughter Charlotte alone six years ago, she put her wild child days behind her. For good. So when Rachel's sister needs her to step in to help film a TV show with professional surfer Nicholas Quinn on Walker Island, she isn't the least bit worried about losing her heart to him. Not until the first time she sees him smile and realizes that her heart isn't completely closed off to promises of breathless excitement after all... Nicholas has spent his entire life chasing adventure, one wave at a time, becoming a major surfing star along the way. But for all the incredible challenges he's faced around the world, he's never faced one as exciting—or as important—as winning Rachel's heart. One stolen kiss is all it takes for him to be absolutely certain that his next adventure should be taken with Rachel and her daughter Charlotte beside him. First, though, he'll have to break through every one of Rachel's walls to convince her to trust in both her dreams and his never-ending love. When It's Love is the third fun, sweet, and emotional contemporary romance in the Walker Island series from New York Times and USA Today bestselling author, Lucy Kevin.
