**Matching Spanish and English phrases**

Unlike software enclosed with verb books from other publishers, Barron's CD-ROM concentrates exclusively on teaching verb usage that applies to reading, writing, and speaking in Spanish. The instructive and fun-to-do exercises and puzzles come with an audio option that demonstrates correct Spanish pronunciation. Barron's CD-ROM is also more adaptable than the others because you can download it on any PC® or Mac®.

**501 Spanish Verbs plus CD-ROM--a great language learning program!**

It's an invaluable classroom supplement for students and teachers, a self-teaching guide for international travelers, and a handy reference volume for translators. Students quickly discover that learning Spanish becomes easier with this book/CD-ROM combination because it teaches verbs and verb usage systematically. In addition to the 501 verb tables, the authors have provided a wealth of additional features that will help students develop a truly comprehensive command of Spanish for speaking, reading, writing, and listening comprehension.

*There's a reason other publishers imitate 501 Spanish Verbs. After almost 50 years on the market, Barron's verb books are still the best!*
