There's only one conclusion you can draw by taking the prophecies of the Bible literally, says New York Times bestselling author Joel Richardson. Someday soon, a Jew named Yeshua - or Jesus, as he's known in the West - will rule the world from Jerusalem.

In his new book, "When a Jew Rules the World," Richardson paints a picture of what that one-thousand-year reign will be like, along the way blow-torching the notion that gentile Christians have "replaced" the Jews and Israel as the people of promise. Richardson lays out the tragic history of anti-Semitism within the church from the very beginning in what may be the most thorough repudiation of what has become known as "Replacement Theology," or, as Richardson calls it, "Supersessionism."

Joseph Farah, founder of WND.com, calls "When a Jew Rules the World" "one of the most important books of our time - a chance for Christians to rediscover their true identity as fellow heirs of promise with the House of Israel, the wild olive branches grafted into the tree of the Abrahamic Covenant." Is the return of Jesus closer than you think? What are the most powerful prophetic signs being fulfilled in the earth today? How is the new Middle East after the Arab Spring aligning with the testimony of the biblical prophets? What are the little known prophetic signs that few are paying attention to?

"End Times Eyewitness" takes you on a firsthand journey into the heart of the biblical world, to the front lines of the ongoing Middle Eastern revolutions, to discover the shocking answer to all of these questions. Filmed in several nations and featuring the testimonies of global Christian leaders, pastors, theologians, and missionaries - as well as some of the most prominent Islamic scholars in the world - End Times Eyewitness reveals which biblical prophecies of the last days are being fulfilled today and what is coming next.
