Medical-Surgical Nursing Test Success: An Unfolding Case Study Review Karen K. Gittings DNP MSN RN CCRN, Rhonda M. Brogdon DNP MSN MBA RN

This is a unique case study reference for students in the medical surgical nursing core course and a review/workbook for students about to embark on the NCLEX-RN exam. Unlike other reviews, the book embeds required information into compelling, unfolding case studies that evolve over time in order to promote active learning and facilitate knowledge retention.

These unfolding case studies are of particular value because they closely mimic real-life situations in nursing and provide situational mental models that assist students with problem-solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX-RN success in assessment, planning, intervention, and evaluation of patient care. All content areas required for NCLEX-RN success—safe and effective care, health promotion, physiological and psychological integrity—are interwoven in an enjoyable format that dispels the drudgery of straightforward memorization. A variety of NCLEX-style question formats are used throughout the book to help students assess their own learning. Additionally, *eResource* links to additional information are included throughout the book.

Key Features:

- Uses unique unfolding case study method to present medical-surgical concepts
- Promotes active learning and knowledge retention
- Develops problem-solving and critical thinking skills
- Provides all of types of NCLEX-style questions for exam preparation
- Offers *eResources* throughout the Review for enhanced learning opportunities
