## Savoring Gotham: A Food Lover's Companion to New York City

When it comes to food, there has never been another city quite like New York. The Big Apple--a telling nickname--is the city of 50,000 eateries, of fish wriggling in Chinatown baskets, huge pastrami sandwiches on rye, fizzy egg creams, and frosted black and whites. It is home to possibly the densest concentration of ethnic and regional food establishments in the world, from German and Jewish delis to Greek diners, Brazilian steakhouses, Puerto Rican and Dominican bodegas, halal food carts, Irish pubs, Little Italy, and two Koreatowns (Flushing and Manhattan). This is the city where, if you choose to have Thai for dinner, you might also choose exactly which region of Thailand you wish to dine in.

*Savoring Gotham* weaves the full tapestry of the city's rich gastronomy in nearly 570 accessible, informative A-to-Z entries. Written by nearly 180 of the most notable food experts--most of them New Yorkers--*Savoring Gotham* addresses the food, people, places, and institutions that have made New York cuisine so wildly diverse and immensely appealing. Reach only a little ways back into the city's ever-changing culinary kaleidoscope and discover automats, the precursor to fast food restaurants, where diners in a hurry dropped nickels into slots to unlock their premade meal of choice. Or travel to the nineteenth century, when oysters cost a few cents and were pulled by the bucketful from the Hudson River. Back then the city was one of the major centers of sugar refining, and of brewing, too--48 breweries once existed in Brooklyn alone, accounting for roughly 10% of all the beer brewed in the United States. Travel further back still and learn of the Native Americans who arrived in the area 5,000 years before New York was New York, and who planted the maize, squash, and beans that European and other settlers to the New World embraced centuries later.

*Savoring Gotham* covers New York's culinary history, but also some of the most recognizable restaurants, eateries, and culinary personalities today. And it delves into more esoteric culinary realities, such as urban farming, beekeeping, the Three Martini Lunch and the Power Lunch, and novels, movies, and paintings that memorably depict Gotham's foodscapes. From hot dog stands to haute cuisine, each borough is represented. A foreword by Brooklyn Brewery Brewmaster Garrett Oliver and an extensive bibliography round out this sweeping new collection.

#### **Wendy Fuller:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Savoring Gotham: A Food Lover's Companion to New York City can make you experience more interested to read.
