Conversations With A Pedophile: In the Interest of our Children Amy Hammel-Zabin

In an effort to show parents how to protect their children from sexual predators Conversations with a Pedophile, through direct correspondence with a convicted pedophile, describes how victims are selected and preyed upon. Dr. Hammel-Zabin details ways to spot early warning signs of abuse and proves that the danger of pedophilia does not come from the stranger in the street offering gifts of candy. It's the nice boy next door, the distant relative, the sweet baby-sitter. It is also shown that our churches aren't safe havens. Nor are our schools or our Scout troops.
