**Deja Review Surgery, 2nd Edition** Amit Tevar

**"Flashcards in a book" provide a comprehensive yet concise review for the surgery clerkship**

***Maximum retention in minimum time!***

Drawn from the perspective of residents fresh from their medical school and USMLE experiences, these unique "flashcards in a book" help you remember high-yield facts in the least amount of time possible and focus on what is essential for success on the shelf exam and the USMLE Step 2 CK.

- Active recall Q&A boils down must-know concepts for clerkship success
- Clinical vignettes at the end of the book put content in clinical context
- Mnemonics and key words help you focus on core facts
- 100 high-yield images
- Complements larger course books and works well with other type of review books
- Convenient 6"x9" size is great for study on the go

#### **William Glover:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Deja Review Surgery, 2nd Edition can make you really feel more interested to read.

#### **Vickie Flores:**

What is your hobby? Have you heard which question when you got pupils? We believe that that query was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as examining become their hobby. You have to know that reading is very important and also book as to be the issue. Book is important thing to include you knowledge, except your own teacher or lecturer. You get good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is actually Deja Review Surgery, 2nd Edition.
