Delmar's Medical Assisting Exam Review, Second Edition is written in outline format to prepare the learner for the Certified Medical Assisting (CMA) exam, Registered Medical Assistant (RMA) exam, and Certified Medical Administrative Specialist (CMAS) exam. The book contains five sections to offer flexibility for the learner, and includes test information and preparation sections, review content on general, administrative, and clinical topics, and pre- and post-test exams. The new edition conforms to the latest AAMA role delineation chart, as well as AAMA and AMT content areas. New software on the accompanying CD-ROM offers several new options: a test-taking mode or practice mode with feedback; customization by exam type, number of questions, or type of question; and learners may save their work or print their scores. Delmar is a part of Cengage Learning.
