John Steinbeck

Working Days: The Journals of The Grapes of Wrath John Steinbeck

John Steinbeck wrote **The Grapes of Wrath** during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion.

The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of **The Grapes of Wrath** and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.
