Amish Heartache, Amish Anguish and Amish Holdup

Amish Heartache -

Joanna is shocked when her parents attempt to arrange a marriage for her with Sampson, a man she has disliked since childhood. As a good and loyal daughter she agrees to see where the idea might lead, despite it being against her wishes.

Matters are complicated further with the return of Joanna's childhood friend, Eli. A young man who had left the Amish community when he was just a boy, without even saying goodbye.

When Sampson falls ill, Joanna believes it to be her fault as she prayed that the marriage would not happen. Yet all the time Sampson lies gravely ill, she and Eli grow closer together - especially when they search for a missing treasure from Eli's dark past.

Eli is fighting his own problems; his lack of faith and if he wants to rejoin the Amish or not. There is one person that could convince him to stay. But she seems destined for another.

Amish Anguish -

Emma Miller has just endured the most tragic three months of her life. At twenty-three years old she is left a widow and without her beloved mother. The business she ran with her husband is failing and owes the English bank money. Other than the elder sister she had never got on with she has no one else to turn to.

John Fisher is a hotshot big city lawyer who is about to embark on his first big courtroom trial. However, thanks to an error on the part of his firm he finds himself heading to Holmes County to try to clear up the mess caused by David Miller's will. It is a task he was selected for the partners. Why was he chosen for this job when a paralegal would have done?

Emma is confused by the handsome lawyer's unexpected visit and what he seems to be telling her. As they

search for some missing documents Emma seems to be drawn closer to John. Matters take another twist when the cold-hearted Eli King visits Emma to give some more upsetting news.

John is trying to battle his own thoughts and the stresses of being a big city lawyer. He is getting attention from many places, not least from Emma's beautiful sister Ruth.

Amish Holdup -

Hannah Stoltzfus is a twenty-year-old Amish girl who doesn't like the family restaurant business. She would much rather the family still owned the farm that they had worked for generations. It doesn't help that the business is struggling, and there is pressure every day.

Hannah's mother feels that the time is right for her daughter to marry. However, there are no suitable candidates that catch her eye. Only Daniel, who works in the restaurant, appears to be an option. But Hannah has little interest. Then a handsome Englisch lawyer called Max, walks into the restaurant one evening and captivates Hannah. Not only is he a lawyer but he also has valuable insights into how the business should be run. Is Hannah finding herself falling in love with an Englischer?

Meanwhile, the dashing Mark Spicer is always on the lookout for the last scam or trick. When he involves a shunned Amish man in his schemes, they plan something that they believe can make them rich. But who is going to suffer?
