Like a Hammer Shattering Rock: Hearing the Gospels Today Megan McKenna

Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark, Matthew, Luke, and John and what they mean for the Church and society today.

In many ways, modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives. Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world. While some argue for the development of new gospels for the 21st century, McKenna argues that we haven't paid due attention to the ones we already have; in many cases, we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas. McKenna breaks it down, gospel by gospel, and shows us how the lessons of Jesus's apostles continue to resonate.
