Want to learn how to successfully trade options for both income and profit? Want to learn how to spot winning trades in the stock market and avoid losing ones? Do you want to build a steady second household income? Build up your retirement account to retire early and in comfort? Or, do you want to learn the same skills that winning option traders know so that you can go pro one day too? As a frequent contributor to Futures Magazine, MoneyMorning.com, Traders.com Advantage and other top financial publications, I know from experience that the world of option trading offers enormous potential for traders who are smart enough to recognize them. Options are unmatched in both leverage, limited risk and the flexibility to craft sophisticated spread positions to profit by price movement, volatility, time decay, and more. But, for traders who don't have a firm grasp of the fundamentals or a method to work with, trading options is not just risky, it can be outright dangerous. Lots of books walk you through the basics but fail to go much further than that. Here, in this book, you'll learn: *Give this book an hour and you'll have a firm grasp of the essential option trading basics. *Know which indicators that will help you profit, and which to avoid like the plague. *A breakdown of the "greeks" (this will help you select the right option for the right trade every time). *How to limit your risk while maximizing your profits. *Reveal an unknown stock market pattern that has more than a 5900% return! *A simple winning weekly trade that is so simple that a child could trade with it. *Ever been in a winning trade and didn't know when to get out? Now, read an entire chapter on how to sell like the pros do and never be without knowing what to do again. *Stock market volatility leaves millions of investors frightened to invest but now you'll learn how to master volatility and profit from it. *Discover where to spot new emerging trends using simple tools (never miss another runaway move again once you learn this). Go now to the upper right-hand portion of this page and get this book now and start learning how to trade options with greater confidence and achieve greater returns. *Reveal an unknown stock market pattern that has more than a 5900% return! *And much, much more!
