**Tarzan And The Jewels Of Opar #5 & Jungle Tales Of Tarzan #6** Edgar Rice Burroughs

Tarzan And The Jewels Of Opar #5 In the previous novel Tarzan and Jane's son, Jack Clayton, a.k.a. Korak, had come into his own. In this novel Tarzan returns to Opar, the source of the gold where a lost colony of fabled Atlantis is located, in order to make good on some financial reverses he has recently suffered. While Atlantis itself sank beneath the waves thousands of years ago, the workers of Opar continued to mine all of the gold, which means there is a rather huge stockpile but which is now lost to the memory of the Oparians and only Tarzan knows its secret location. Jungle Tales Of Tarzan #6 Tarzan's First Love. Tarzan's courtship of the female ape Teeka ends in failure when her preference turns to their mutual friend, the male ape Taug. Tarzan wrestles with his humanness versus his ape-ness. The allusion to Helen of Troy enriches the story, making Tarzan and Taug's fight over Teeka take on symbolic proportions. Stan Galloway writes: "when Burroughs chooses to name Helen as an objective correlative for Teeka, he expects both literal and emotional connections to occur." Tarzan's final claim of the story -- "Tarzan is a man. He will go alone."—echoes the plight of Adam in the Garden of Eden.
