*James White, Robert Summers*

**Uniform Commercial Code (Hornbook)** James White, Robert Summers

The book will give students a rigorous introduction to the UCC without burdening them with needless citations. The new edition deals not only with the 1999 revisions to Article 9 but also with the recent revisions to Article 1. Of course, this edition also addresses the earlier revisions to Articles 5, 3 and 4. It has limited coverage of the failed attempt to revise Article 2.
