Wacky Sentences Handwriting Workbook (Reproducible): Practice Writing in Cursive (Third and Fourth Grade) Julie Harper

This workbook, *Wacky Sentences Handwriting Workbook*, is designed to inspire interest in cursive handwriting. This workbook focuses on writing complete sentences in cursive. Kids enjoy writing wacky sentences like, “**Two rabbits slept on a fox’s head,**” and, “**Six elephants jumped over a giraffe.**” Exercises like these help to make learning fun, even at home.

Four sections of this workbook help students develop their cursive writing skills at a variety of levels:

- Part 1 is the basic level. Students practice handwriting motions by tracing dotted sentences.
- Part 2 advances to help students begin to write on their own. In this section, students first trace a dotted sentence and then copy the sentence onto a new line. The three traditional horizontal lines are included as a guide - solid top and bottom lines plus a dashed middle line help students master the relative heights of the letters, and to write across the page in straight lines.
- Part 3 gives solid sentences instead of dotted sentences. At this stage, students practice their handwriting without first tracing the letters.
- Part 4 is the most advanced stage. The given sentences are now printed and students must now rewrite them in cursive.

Beginners may wish to start out with a more basic book that offers practice with individual letters before advancing to complete sentences, such as the *Letters, Words, and Silly Phrases Handwriting Workbook*.

May your students or children improve their handwriting skills and enjoy reading and writing these wacky sentences.
