**Cut Up! An Anthology Inspired by the Cut-Up Method of William S. Burroughs & Brion Gysin** A.D. Hitchin, Joe Ambrose

In Paris in the late Fifties the Beat Generation writer William Burroughs and his sidekick Brion Gysin developed the cut-up method. It involved taking a piece of finished text and cutting it into pieces - then rearranging those pieces to create a new text or work of art. Burroughs wrote that: "When you cut into the present the future leaks out." The cut-up had a profound effect on music, writing, painting, and film. Devotees of the cut-up include David Bowie, Radiohead, and Kathy Acker. In addition to bringing together new work by new people, Cut Up! also salutes some better known 20th Century voices who kept the spirit of Burroughs and Gysin alive. Contributors include Kenji Siratori, Claude Pélieu, Nina Antonia, Billy Chainsaw, Cabell McLean, Mary Beach, Marc Olmsted, Allen Ginsberg, Spencer Kansa, Michael Butterworth, Robert Rosen, Nathan Penlington, Sinclair Beiles, Gary J. Shipley, D M Mitchell, and Edward S. Robinson.
