DIY Natural Remedies and Cleaning Recipes Box Set (2 in 1)

Book One: Natural Remedies: Homemade Organic Remedies for Your Health and Appearance to Prevent and Heal Sickness

If you are tired of spending your hard earned dollar to go see the doctor that gives you a prescription for every ailment; this is a must have book. There are many natural remedies that can help to cure or prevent many common medical conditions.

A lot of natural remedies can be made from items you keep in your home on a regular basis. These remedies will not only help cure what ailments you have; they will also work to save you money. You will be surprised to find out what you can do with a banana, baking soda, basil, strawberries, and much more. Before you begin this book you should be prepared to look and feel better thanks to nature. You can put an end to over the counter medications that have chemicals you have never heard of. By the end of the book you will be wanting to know what other wonderful natural ways there are to stay healthy.

Some of the things you will find inside this book are following.

- A brief history of the concept of natural remedies.
- Natural remedies for common illnesses.
- Natural remedies for ailments that affect your appearance.
- Much, much more.

Book Two: DIY Homemade Cleaning Products: Over 40 Simple Step by Step Recipes to Clean Your Home with Non-Toxic Ingredients

Go to any grocery store and the chances are that aisle after aisle will be stuffed full of hundreds of different cleaning chemicals that you 'need' to keep your home spotless. But do you really need all or even any of them? Read the ingredients and the specialist bathroom cleaner looks suspiciously like the kitchen cleaner (but with a different artificial fragrance). You are being effectively conned into spending dollars when you can clean your home for pennies.

Making your own cleaning products is surprisingly easy. Not only will it ease the strain on your wallet but will also allow you to treat your home without having to resort to harsh chemicals. Our recipes are designed with cheap, healthy ingredients that will keep your home clean, your wallet full and your environment safe.

Inside You Will Learn:

- Why homemade cleaning products are better for your health, your wallet and your family;
- The environmental benefits of homemade cleaning products;
- How to use home made products effectively;
- The ingredients you need to make your own products;
- Recipes for over 40 different effective household cleaning agents;
- And much, much more

Once you have tried your own cleaning products you will never want to go back to commercial formulations. Don't delay. Start your journey to a clean, green, healthy home by downloading this book now.
