To live successfully in the world, women need to know who they are and what role they play today. They need a new awareness of who they are, and new skills to meet today's challenges. Best-selling author Myles Munroe examines societies' attitudes toward women and helps women to discover who they are. He addresses vital issues such as: Are women and men equal? What are the purpose and design of the woman? Are women meant to be leaders? Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.
