**TRUE FRIENDSHIP HAS TO BE EARNED.**

On planet Zoot birthdays are a big deal, filled with parties, gifts, friends and lots of treats. Today is QB9's birthday, but he knows there will be no treats, no day filled with the sound of his friend's laughter and no party. Poor QB9 has no friends. It's not that he doesn't want friends, more that friends don't want him. When his parents give him a *WISH-A-MA-GIG*, a special device that grants every wish, he asks for the only thing he wants -- one true friend.

The *WISH-A-MA-GIG* sends QB9 on a journey to travel to Earth where he will find his friend.

Unfortunately, while preparing for the journey, QB9 grows bored studying Earth's cultures and customs. He asks himself, "If I just wing it, what could go wrong?"

As it turns out, getting to Earth is the easy part. QB9 quickly learns "just winging it" was not such a good idea after all.
