Factory Made: Warhol and the Sixties Steven Watson

Factory Made: Warhol and the Sixties is a fascinating look at the avant-garde group that came together—from 1964 to 1968—as Andy Warhol’s Silver Factory, a cast that included Lou Reed, Nico, Edie Sedgwick, Gerard Malanga, Paul Morrissey, Joe Dallesandro, Billy Name, Candy Darling, Baby Jane Holzer, Brigid Berlin, Ultra Violet, and Viva. Steven Watson follows their diverse lives from childhood through their Factory years. He shows how this ever-changing mix of artists and poets, musicians and filmmakers, drag queens, society figures, and fashion models, all interacted at the Factory to create more than 500 films, the Velvet Underground, paintings and sculpture, and thousands of photographs.

Between 1961 and 1964 Warhol produced his most iconic art: the Flower paintings, the Marilyns, the Campbell’s Soup Can paintings, and the Brillo Boxes. But it was his films—*Sleep*, *Kiss*, *Empire*, *The Chelsea Girls*, and *Vinyl*—that constituted his most prolific output in the mid-1960s, and with this book Watson points up the important and little-known interaction of the Factory with the New York avant-garde film world. Watson sets his story in the context of the revolutionary milieu of 1960s New York: the opening of Paul Young’s *Paraphernalia*, Truman Capote’s *Black and White Ball*, Max’s *Kansas City*, and the *Beautiful People Party* at the Factory, among many other events.

Interspersed throughout are Watson’s trademark sociogram, more than 130 black-and-white photographs—some never before seen—and many sidebars of quotes and slang that help define the Warholian world. With *Factory Made*, Watson has focused on a moment that transformed the art and style of a generation.

From reader reviews:

Genoveva Johnson:

What do you consider book? It is just for students since they're still students or the idea for all people in the world, what best subject for that? Simply you can be answered for that question above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book Factory Made: Warhol and the Sixties. All type of book are you able to see on many resources. You can look for the internet methods or other social media.

James Fong:

Reading a guide tends to be new life style on this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the publications. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Factory Made: Warhol and the Sixties.

William Stone:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Factory Made: Warhol and the Sixties, you can enjoy both. It is fine combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Bryon Diaz:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your morning to upgrading your mind talent or thinking skill even analytical thinking? Then you are having problem with the book when compared with can satisfy your short time to read it because this time you only find guide that need more time to be go through. Factory Made: Warhol and the Sixties can be your answer since it can be read by you who have those short time problems.
