How on earth did I end up here? I was supposed to be at a party kissing the boy of my dreams, instead I'm dancing naked on the town common, on Halloween, with a Coven of strange women who might be witches, a bunch of zombies that I have to return to their graves, a talking crow, and my house ghost thrown in for good measure. Just yesterday I was an ordinary teenager...

On her sixteenth birthday Emily Rand discovers that she is a witch. Unable to control her spells she unwittingly raises zombies, and corporealizes the ghost haunting her house. She finds herself in a race against time to put everything right if she has any hope of getting to a certain Halloween party and seeing a certain boy again.
